### Notes:

- \* Please refrain from delaying until the last day/deadline for your application or submission on admin matters. Do give yourself some time/allowance for any unanticipated delays. For submission of thesis, this deadline is main supervisor's approval for online thesis submission which typically involves several iterations.
- # Should a student submit his/her thesis for examination during the leave period or during the semester immediately after the period of leave, the student will have to pay fees for one semester.
- ^ **Service Obligation Scheme** (by the Ministry of Education) is to subsidise cost of postgraduate education in Singapore. Students from approved programmes/initiatives may apply online during the stipulated period for each semester. Details:
